Part V. GENERAL PROVISIONS RELATED TO INSURANCE COVERAGES

1. All suits, actions or legal proceedings arising from the plans, benefits, or services provided through the plans (collectively "Controversies") may be submitted to binding desk arbitration in accordance with the rules then applying to the American Arbitration Association. Such arbitration must be upon mutual request. No request for arbitration can be brought to recover benefits until 60 days have elapsed following submission of Your entire claim to Us. No action in any form can be brought after three years from the date Your claim was submitted to Us.
2. No agent or other person has authority to accept or make representations or information or alter, modify or waive any of the provisions of this Policy.
3. In the event that You are covered under another policy issued by the Company that provides the same or similar coverage, the Company will refund any premium for the duplicate Policy that You choose.
4. Misrepresentations and Fraud: Coverage shall be void if, whether before or after a loss, the insured has concealed or misrepresented any material fact or circumstance concerning this Policy or the subject thereof, or the interest of the insured therein, or if the insured commits fraud or false swearing in connection with any of the foregoing. All statements made by the insured for the issuance of any Policy shall be deemed representations and not warranties. After two years from the date of issue of this Policy no misstatements, except fraudulent misstatements, made by the insured shall be used to void the Policy or to deny a claim for loss incurred or disability (as defined in the Policy) commencing after the expiration of such two year period.
5. On the Policy effective date shown in the Letter of Confirmation, if any provision conflicts with the laws of the State in which You reside, it shall be deemed amended to conform to law.
6. Appraisal: In case You and We shall fail to agree as to the Actual Cash Value or the amount of loss, then, on the written demand of either, each shall select a competent and disinterested appraiser and notify the other of the appraiser selected within twenty days of such demand.

The appraisers shall first select a competent and disinterested umpire; and failing for fifteen days to agree upon such umpire, then upon Your or Our request, such umpire shall be selected by a judge of a court of record in the state in which the property covered is located. The appraisers shall then appraise the loss, stating separately Actual Cash Value and loss to each item; and, failing to agree, shall submit their differences, only, to the umpire. An award in writing, so itemized, of any two when filed with Us shall determine the amount of Actual Cash Value and loss. Each appraiser shall be paid by the party selecting him and the expenses of appraisal and umpire shall be paid by the parties equally.

Assignment: You may assign Your interest under the Policy by giving Us written notice of such assignment. The assignment will not be effective until We receive the written notice. We do not assume any responsibility for the validity of any assignment.

Cancellation by Insured: The insured may cancel this Policy at any time by written notice delivered or mailed to the insurer, effective upon receipt of such notice or on such later date as may be specified in such notice. In the event of cancellation or death of the insured, We will promptly return the unearned portion of any premium paid. The earned premium shall be computed by the use of the short-rate table last filed with the state official having supervision of insurance in the state where the insured resided when the Policy was issued. Cancellation will be without prejudice to any claim originating prior to the effective date of the cancellation.

Physical Examinations and Autopsy: The Company has the right to physically examine You as often as reasonably needed while a claim is pending. The Company may also require an autopsy in the case of death, where it is not forbidden by law. The Company will bear all costs for these.

possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

2. We, upon receipt of a notice of claim, will furnish to the insured such forms as are usually furnished by it for filing proofs of loss. Information Collected Automatically, Advertising, and Analytics

We, the vendors advertising networks, and partners we work with, and social networks we connect to, may use various tools and technologies like cookies, pixels, and other tracking technologies or tools to collect certain information automatically about you when you visit our website. This information may include IP addresses, website navigation and Internet usage/network activity data and device/browser-generated data, including regarding your browsing history and your interaction with our and other websites, applications, and advertisements.

Cookies are text files on your computer. When you access our website or use our mobile application, we use cookies and other tracking technologies to collect data about your web usage. We may use third-party technologies, tools, or services such as Meta, Google, Inc.'s Google Analytics and AdWords services, and other similar third-party vendor services.

We use the following Google Analytics Advertising Features:

- (i) "Remarketing with Google Analytics" to serve advertisements to you across the Internet based on your visits to our site(s) by leveraging Google Analytics cookies.
- (ii) "Demographics and Interest Reporting" to collect information about our site traffic by tracking users across websites and across time via third-party cookies, which generates a report for us to better understand our site users.

- (iii) "Display Network Impression Reporting" to gather insights into how our ads are served and viewed across the Google Display Network, including aggregated data on ad impressions and user interactions.
- (vi) "Segments" to isolate and analyze subsets of site users by sorting our Google Analytics data.
- (v) "Google Ads" to display targeted ads based on user interests and interactions with our website.
- (vi) "Google Search Console" to monitor and analyze our website's visibility and performance in Google search results.

We, along with third-party vendors such as Google, use first-party and third-party cookies to analyze and understand user interactions with our website and serve targeted advertisements based on your prior visits to our site or other websites. Third-party vendors, including Google, use cookies to serve ads based on users' visits to our website. These cookies enable personalized advertising and may involve the collection of your demographic information, such as age and gender, and interest-based data.

We also may use third party chat and monitoring services on our website provided through Cognigy or other service providers. These services may use JavaScript to provide such services. Information you provide through chat services may be monitored and recorded and used for purposes of providing the services and assistance you request and for other uses related to your policy and claim, as well as for purposes of quality assurance, training, and improvement of products and services. By using the chat service, you agree to such monitoring, recording, and uses, and the processing of your data in accordance with this Privacy Policy.

These services may use technologies to collect and receive data from the website and elsewhere on the Internet and use that data to create a profile of you, measure your interests, detect your device, personalize your content, and provide advertising services to us. These vendors may provide this data to us or store and/or aggregate this data to analyze such usage and create reports for us. We, our affiliates and our Agents use such data and reports for our own business purposes (e.g. to provide customer service, to optimize the content you see from us, traffic and trend analysis, website and user experience improvement, other purposes stated in this Notice, etc.) and Payment Card Industry Data Security Standard ("PCI") compliance. These vendors may also display our ads on sites across the Internet, and they may use this data to later display ads or other information to you based on your website usage or other information collected as described above. Data from these first- and third-party cookies may be combined or linked together to provide a more comprehensive understanding of user behavior on our sites and across other sites, platforms, and devices. Please note that we or other parties may collect Personal Data about your online activities over time and across different devices and online properties when you use our website. Our websites use functional cookies that are required for the website to operate (including ReCAPTCHA and others). These cookies cannot be disabled. However, you can refuse cookies by disabling them in your browser (this may affect functionality and content available to you).

By using our website with cookies enabled, you consent to this use of cookies and data for these purposes. You can manage your cookie preferences for each of our websites by clicking the "Do Not Sell or Share My Personal Information" link on that website domain – see "Your Privacy Choices / Opt Our Rights" below for more information.

For more information on how Google Analytics uses data it collects, visit policies.google.com/technologies/partner-sites. To opt out of Google Analytics, visit tools.google.com/dlpage/gaoptout or disable cookies in your browser. To adjust your Google advertising settings, visit: myadcenter.google.com.

You may be able to opt out of certain interest-based advertising using the settings on your browser. To find out more about how these online analytics services manage the privacy of information in conjunction with delivering ads online, and how to opt out of information collection by these networks, please visit: youradchoices.com/appchoices, optout.aboutads.info, or thenai.org.

Other Uses

We may use your geolocation information for generating location-specific product advertisements and offers or to provide and administer the insurance and assistance services as described above. This information may also be used for location-based website or mobile website application services, such as access to local alerts and emergency services numbers and providers, location of healthcare providers or medical services, maps, translation services, and other similar services, or for purposes to which you otherwise consent or as described here.

We may use and disclose the name, email address, or contact information of current and former customers to Agents for marketing administration purposes. For example, we may need to disclose the email address you provided to us to an Agent providing marketing services on our behalf to help ensure that your opt out choices are respected and that you do not receive duplicate communications.

We may employ automation and technology powered by systems which may be considered artificial intelligence systems under certain laws to market, provide, and improve our services.

Upon notification and consent your Personal Data may be used for other reasons. That notice will state the purpose for collecting and using the data, the types of non-Agent third parties to which we disclose the data, and the means we offer you to limit this.

2. Your Privacy Choices / Opt Out Rights

The law in some jurisdictions allows you the right to choose in some cases to opt out of us sharing your Personal Data with a third party or using it for purposes described or that is materially different from the purposes for which it was originally collected or which you later authorize. You may exercise this right by notifying the Privacy Officer at the information provided below. You may opt out of getting non-essential marketing communications from us by giving notice as described below and either managing your cookie preferences on the website or disabling cookies in your web browser. Except as required or allowed by law (e.g. for fraud prevention), we do not share, sell or otherwise disclose your Personal Data to non-Agent third parties or use it for any purpose other than for which it was originally collected or as you later authorize. If we ever wish to do so, we will give you the opportunity to opt out. If we wish to disclose your Sensitive Data to a non-Agent third party or use such data for a purpose other than for which it was originally collected or as you later authorize, we will only do so with your express consent. We will not unfairly discriminate against you for declining to provide this consent.

To opt out of the sale or sharing of your personal information through tracking technologies such as cookies and pixels, please click the "Do Not Sell or Share My Personal Information" link in the footer of the website domain (e.g. allianztravelinsurance.com) you are using. Please note, we maintain websites on several different domains. If you wish to opt out as described here, you must follow this procedure for each separate website domain that you access/use. If you choose to use an opt-out preference signal such as the Global Privacy Control (GPC), you will be opted out of online, cookie-based sales and sharing of personal information associated with the browser for which you have enabled the signal. If you use multiple browsers or devices, you will need to activate the signal for each one that you use.

To opt out of all other non-essential marketing communications or non-essential unaffiliated third party information selling or sharing, please contact our Chief Privacy Officer as described in "Contact" below with your name, policy number. Please include a statement that says "Opt out" (or something similar). Opt outs will be applied to all products and services we provide. When you opt out or revoke consent, such opt out or revocation will not apply to any action already taken prior to the time of such opt out or revocation. We will not unfairly discriminate against any person who chooses to opt out, or exercise any of their rights as described in this Notice.

3. Information for Users Outside the U.S.

If you are visiting our website from outside of the United States, we may, directly or indirectly, process, store, and transfer the information you provide in or to the United States. By using our website, you acknowledge your Personal Data may be transferred to, and processed in, a jurisdiction outside of your own. Please be aware that the data protection laws and regulations that apply to your Personal Data transferred to the United States or other countries may differ from the laws in your country of residence. Our Binding Corporate Rules related to data transfers may be viewed here: https://www.allianz-partners.com/en_US/allianz-partners—binding-corporate-rules-.html

4. Security

We take reasonable and appropriate measures to protect your data from loss, misuse, or unauthorized access, disclosure, alteration and destruction. To help maintain the security of your data, we use administrative, physical, and technical safeguards. Nevertheless, transmission via the Internet and online digital storage are not completely secure.

5. Data Retention

We keep the categories of personal information described above for as long as is necessary for the purposes described in this Privacy Notice or as otherwise authorized or permitted by law. This generally means holding the information for as long as: (i) it is reasonably necessary to manage our operations, to manage your relationship with us, or to satisfy another purpose for which we collected the information; (ii) it is reasonably necessary to carry out a disclosed purpose that is reasonably compatible with the context in which the personal information was collected; (iii) it is reasonably required to protect or defend our rights or property; or (iv) we are otherwise required or permitted to keep your information by applicable laws or regulations. For more information about our retention policies, please contact us by sending an email to privacy@allianzassistance.com.

6. Access

If you discover data we hold about you is inaccurate or incomplete, please contact us. We will grant you reasonable access to the Personal Data we hold about you.
